

# LESS IS MORE ANY TIME OF THE YEAR

**Using less water means more water in Lake Mendocino, Lake Sonoma and the Russian River. We rely on these sources for drinking water, wildlife habitat and recreational activities.**

**Use less water today by following these tips:**

- Run the dishwasher and clothes washer with full loads only.
- Find and repair leaks now.
- Contact your local water supplier to learn more about available rebate programs.

**For tips on how to use less water, visit
